
AGENDA | Remington's 2019 Readmissions Conference

THURSDAY, JUNE 27, 2019

Networking Connection Breakfast | 7:30am – 8:00am

Welcome | 8:00am – 8:15am

Positioning Your Readmission Program to Create Growth and Increase Your Value Proposition in Response to the Changing Healthcare Landscape | 8:15am – 9:15am

SPEAKER: LISA REMINGTON, President, Remington Health Strategy Group and Publisher, **The Remington Report**

A guided roadmap to help your organization to see around corners, navigate disruption, and build a valuable framework for readmissions.

Learn the latest trends, analysis and opportunities for readmission partnerships:

- Critical healthcare payment and infrastructure changes creating new opportunities.
- Fee-for-service and value-based readmission opportunities.
- Positioning your organization as a valued partner.

Roundtable Discussion | 9:15am – 9:30am

Discuss with your peers their biggest challenges with readmissions and what they are doing to solve them.

Morning Break | 9:30am – 10:00am

Outcomes Management to Reduce Readmissions | 10:00am – 11:00am

SPEAKER: KAREN THOMAS, President, Cardeum

Identify how your organization can achieve an interdisciplinary approach to improving patient outcomes to decrease costs, decrease, length of stay, improve clinical outcomes, and improve system processes.

You will learn:

- Essential programs to generate outcome improvement.
- How to roadmap a care management/care coordination program.
- The benefits of team integration strategies for outcome management.

Readmissions & Actionable Data to Reduce Readmissions | 11:00am – 12:00pm

SPEAKERS: LISA REMINGTON, President, Remington Health Strategy Group and Publisher, **The Remington Report**; KAREN THOMAS, President, Cardeum

Explore how data and research has analyzed readmission intervals based on 7-days vs. 30-days. Expand your data mining by using patient population segmenting analysis to reduce readmissions. Action to take back to your organization:

- How to dig into your data to reduce readmissions.
- How to leverage risk stratification models to reduce readmissions.
- Analysis by patient conditions to red flag greatest threat of readmissions.

Lunch | 12:00pm – 1:00pm

Join peer-to-peer networking discussions. Learn best practices. What's working ... what's not.

Case Management Model Using Community Health Coaches to Reduce Readmissions | 1:00pm – 2:00pm

SPEAKER: ALEXSANDRA DAVIS, RN, BSN, MPA, Director, Home Health Services and Director, Community Care Network Wooster Community Hospital

Hear a case study to improve care for at-risk patients and create a community-clinical link. You will learn:

- Framework for an integrated case management model utilizing coaches.
- Program development.
- Team-based care for social determinants.
- Successful outcomes management for reduced readmissions and ED visits.

Innovative Technology Infused Readmission Case Studies: Hospice, Medicaid, & Physicians | 2:00pm – 3:00pm

SPEAKER: KAREN THOMAS, President, Cardeum

Learn about three case studies for building innovative readmission programs for hospice, Medicaid and physicians.

You will learn from these successful readmission case studies for: Hospice; ACO – CHF readmission program; Diabetic program; Physician Chronic Care Management; Advanced Paramedic Program; and Medicaid/Medicaid Managed Care.

Adjournment | 3:00pm

AGENDA | Remington's 2019 Readmissions Conference

FRIDAY, JUNE 28, 2019

Networking Connection Breakfast | 7:30am – 8:00am

Complex Care Management Program: Managing High-Risk Patients and Getting Paid by the Health Plan | 8:00am – 9:00am

SPEAKER:

CONNIE CHRISTOPHER, Director, Care Transitions, FirstHealth of the Carolinas

FirstHealth's care management's program is patient-centered, team-based, and a technology infused approach to chronic care management.

Learn about their partnership with an insurer to manage high-risk patients. In this session, you will learn how:

- The framework for an integrated chronic care case management mode.
- Steps to staff buy-in and integration.
- How to get paid for care management by the insurer.

Roundtable Discussion | 9:00am – 9:15am

Morning Break | 9:15am – 9:30am

Advanced Home-Based Primary Care Model to Reduce Readmissions | 9:30am – 10:30am

SPEAKER: PAUL CHIANG, MD, CMO, Home Centered Care Institute

Explore the expansion of home-based primary care with ACOs, health systems, hospice and a social work model to prevent readmissions.

Learn new opportunities:

- Integration of home-based primary care in your organization.
- How new reimbursement models for physicians open-up new partnerships.
- The future of home-based primary care.

Strategy Wrap-up | 10:30am – 10:50am

Actionable Strategies to Take Back to Your Organization!
