Empowering Organizations to Meet the Future
WELCOME

The 2019 August 13-14th summit is an exclusive networking peer-to-peer exchange forum. The focus of our communications, expansive knowledge, and action oriented strategies builds a shared vision between home health, hospice, palliative care, in-home support, private pay and community-based organizations with health systems, physicians, ACOs and payers.

REMINGTON’S SUMMIT • AUGUST 13-14, 2019 • CHICAGO

Building A Shared Vision of Value-Based Care Between Post-Acute Providers, ACOs, Physicians and Payers

Exclusive Networking Peer-to-Peer Exchange Forum

1½ days of peer-to-peer networking, case studies, and readiness and action.

GET READY TO TAKE ACTION!

The train has left the station! Value-based care, connectedness, streamlining operations, embedding technology and gearing-up new opportunities for partnerships are the key ways to gain market positioning and a predictable future.

Join us! The summit provides peer-to-peer engagement, rapid responses to your biggest challenges, and will infuse a different way to “rethink” priorities. As a barometer of change, the Remington Group has been monitoring complex key trends and forces of change for 30 years.

The University Club lies in the very center of Chicago's most beloved cultural attractions. Overlooking Lake Michigan in the heart of downtown Chicago, the Club directly faces Chicago’s urban landmark, Millennium Park, a unique venue for strolling and viewing works by world-renowned artists, architects and designers. The Club is mere steps away from The Art Institute of Chicago, next door to the home of the Chicago Symphony Orchestra and minutes away from the Field Museum, John G. Shedd Aquarium and world famous Magnificent Mile.
Ten Powerful Questions We Answer!

1. GROWTH & READINESS
   How can your organization broaden market position? And, competitively meet the future of health care, and identify key investments for growth?

2. EFFECTIVELY RESPONDING TO CHANGE
   What are your peers doing to prepare and manage the future?

3. TECHNOLOGY + VALUE
   What technologies are your peers using to increase the flow of data, connect patient care across the continuum and adding value to a shared vision.

4. PATIENT CARE MANAGEMENT AND ENGAGEMENT PARTNERSHIPS
   How can your organization better align clinical, financial and quality measures to build seamless models?

5. SCORECARDS, KEY PERFORMANCE INDICATORS AND METRICS
   Your organization may be using scorecards, key performance and metrics already. We want to share a different perspective of how to align your operational, quality and financial goals to your strategic priorities. And, how to use information to drive success across the post-acute continuum.

6. LEADERSHIP & HIGH-PERFORMANCE POSITIONING
   How is your organization preparing culture, financial, and clinical models for value-based care?

7. VALUE-BASED REIMBURSEMENT
   How does the changing reimbursement landscape expand opportunities for PAC providers in the areas of care management, care coordination and chronic care management?

8. PERFORMANCE & PROFITABILITY
   How are your peers improving performance and profitability? What's the secret sauce?

9. INNOVATION AND MARKET POSITIONING
   How are your peers advancing their organizations, innovating, and meeting the future of healthcare?

10. STRATEGY DEVELOPMENT
    How can prioritizing strategy initiatives keep your organization on track? What’s keeps growth and opportunity at the forefront?

SHARED VISION OF VALUE-BASED CARE:
DYNAMICS, ALIGNMENT AND KEY WAYS TO POSITION YOUR ORGANIZATION

8:30 – 9:45am  |  Michigan Room

SPEAKER: LISA REMINGTON
President, Remington Health Strategy Group and Publisher, The Remington Report

Keynote Address

How can your organization align the needs of an evolving value-based care environment? How will the continuum of care look different in the future? How will a shared vision expand your organization’s operational, clinical and financial roles? As your organization moves into value-based care, it is important to understand new opportunities, alignment, the internal and external impact, and your readiness. We provide the roadmap from acute to post-acute to validate your organization’s readiness.

Your takeaways:
• Predictable value-based care initiatives.
• Identifying new business opportunities, and clinical and models to fuel change.
• Prioritizing value-based initiatives to advance your organization.

4  PEER-TO-PEER EXCHANGE FORUM  |  https://remingtonreport.com/building-shared-vision-2019
WHAT YOUR PEER’S SAY AFTER ATTENDING THE THINK TANK 2019

“It was great to dedicate time towards learning about trends, ideas, and pain points of such a diverse group of healthcare professionals. I’ve developed contacts and relationships to better prepare me for positioning my organization in 2019. Without this opportunity, I would still be assuming the direction of home care.”

– Michael Ferraina, CEO, Jevs Care at Home

EXCLUSIVE NETWORKING PEER-TO-PEER EXCHANGE FORUM

Peer-to-Peer Case Studies
Innovation. Advancing organizations. Value-based market positioning. We hand selected organizations walking the talk. Developing new models, aligning their core competencies, and moving into value-based care. These organizations are responding to the new healthcare delivery system. Your peers from hospice, palliative care, senior living, and home health are successfully engaging a value-based reimbursement culture. They share with you how to position your organization for success.

Key takeaways:
• Aligning value-based care across the continuum.
• Identifying care management strategies in value-based care.
• Leadership tools to transition organizations into value-based care.
• Partnership framework and strategies.

NETWORKING LUNCHEON:
SAME SIZE ORGANIZATION PEER EXCHANGE ROUND TABLES
12:00 – 1:15pm | Monroe Room
Meet with the same-size organizations to exchange ideas, vision and resources. Learn what best practices are working. Make a list of priorities to take back to your organization.

CASE STUDY: STRATEGICALLY ALIGNING YOUR SCORECARDS AND KEY PERFORMANCE INDICATORS TO OPERATIONAL, QUALITY AND FINANCIAL GOALS
1:15 – 2:15pm | Michigan Room

SPEAKER: KIM KRANZ, RN, MS
President, Catholic Home Care and Good Shepard Hospice, Catholic Health Services of Long Island

What key performance indicators drive success across post-acute care for home health, hospice, palliative care, private duty, adult day care, SNFs and insurers? How do you align your operational, quality and financial pain points to prioritizing your goals? Scorecards are a tool for internal and external accountability. What key performance indicators position PAC providers as high-performance organizations? How can scorecards be used as a tool for driving improvement? This case study will revolutionize the way organizations connect the dots and explore ways to rethink your future.

Your takeaways:
• Strategically align your key performance indicators to your strategic plan.
• Explore what key performance indicator drive success across the PAC network.
• Identify key performance indicators for high-performing organizations.
• Analyze data to promote better accountability.

**Meet the Speakers**

**Anthony Evans**

Anthony Evans is the President of Pure Healthcare, an innovative, person-centered reimagining of how care might be more conveniently and effectively delivered to those facing chronic illness at any stage. Pure HealthCare recasts the concepts of supportive care, chronic disease management, and traditional palliative care into a more streamlined, centralized, and holistic care delivery system. His responsibilities have ranged from oversight of home-based care management services to the design and implementation of dual-eligible programming, Medicare Advantage, long term care, and home and community-based care products. He has also served as liaison to national and state governments, stakeholders, regulators, and thought leaders on subjects directed at design and implementation of clinical/operational systems, quality programs, and value-based reimbursement initiatives to improve the quality, effectiveness, and sustainability of services.

**Kerry K. Hamilton**

Kerry accepted the position of President & CEO at Hospice of Central Ohio (HOCO) in August 2009. Kerry’s leadership has enabled the organization to grow in exciting ways. He encourages a “philosophy of care” where eligible patients can receive care regardless of their ability to pay, complexity of care or severity of need. When Hospice of Central Ohio joined with Ohio’s Hospice, Inc. in 2015, Kerry expanded his responsibilities to become Chief of Strategy. Kerry serves as the board chair for the Hospice Alliance of Ohio and is on the board for LeadingAge Ohio.

**Kim Krantz, RN, MS, CHPCA**

Kim is President of Catholic Home Care and Good Shepard Hospice, Catholic Health Services of Long Island. She recently oversaw operations and growth of Penn Highlands Community Nurses which included home health care, hospice, home support services and adult day services throughout a 12 county region in Pennsylvania. She came to Penn Highlands from Celtic Healthcare Inc. in Mars, where she was Senior Vice President of Hospice and Palliative Care. Prior to that, she was Vice President of Hospice and Palliative Care and Vice President of Operations at Home Nursing Agency in Altoona. In her career, she has also served as an Administrative Director of Home Care, Hospice and Director of Patient Services.
Meet the Speakers

Daniel K. Krieger, MBA, NHA
Dan has been in the senior services field for over 17 years and currently is the Corporate Director of Value Based Reimbursement for Presbyterian Senior Living. In this role, he leads the organization’s journey towards value-based service provision and integration across all lines of business, focusing on innovative partnerships to maximize healthcare operations and to support seniors. He has served Presbyterian Senior Living in several positions since 2007, including Executive Director of CCRC’s, Operations Reimbursement Manager and currently as Corporate Director of Value Based Reimbursement. With oversight of reimbursement methodologies, vendor management, managed care contracting, value based relationships and initiatives Mr. Krieger strives to seamlessly integrate PSL’s portfolio of services into a cohesive continuum that will move dynamically with and successfully engage in a myriad of value based reimbursement methodologies.

Jeffrey Lycan, RN
Jeff is a Registered Nurse with over thirty-five years in healthcare. His career has been primarily focused in the practice areas of oncology, palliative care and end of life. The last twenty years his experience has focused on management of health care services with a focus on policy, regulatory and legislative environment for healthcare providers caring for individuals with serious life-limiting illnesses. He spent seventeen years as President/CEO of the Ohio Hospice & Palliative Care Organization before taking on the role as Executive Vice-President of Mission Advocacy for Ohio’s Hospice in March of 2015 and most recently as President of the National Hospice Cooperative.

Lisa Remington
As President of the Remington Health Strategy Group, and Publisher of the Remington Report magazine since 1990, Lisa has worked with over 6,000 home health, hospice, palliative care, private pay and community-based organizations in both a consultancy role and educator. Her expertise drives organizational “value” planning to increase revenues, identify new and existing growth opportunities, and leverage strategic partnerships across the continuum. Nationwide leaders and their teams attend Remington Think Tank summits, executive leadership programs, and peer-networking groups to improve performance, hardwire their organization’s future, and lead with vision. Lisa monitors the complex key trends and forces of change to develop a correct strategic approach to de-risk decision-making and create sustainable futures.
