

# Remington's Home and Community Based Care 20/20 Vision

*Opportunities to be a solution and contributor to the future of health care*

## SPEAKERS

**Anthony Evans**  
**President, Pure Healthcare**

Anthony Evans is the President of Pure Healthcare, an innovative, person-centered reimagining of how care might be more conveniently and effectively delivered to those facing chronic illness at any stage. Pure HealthCare recasts the concepts of supportive care, chronic disease management, and traditional palliative care into a more streamlined, centralized, and holistic care delivery system.

His responsibilities have ranged from oversight of home-based care management services to the design and implementation of dual-eligible programming, Medicare Advantage, long term care, and home and community-based care products. He has also served as liaison to national and state governments, stakeholders, regulators, and thought leaders on subjects directed at design and implementation of clinical/operational systems, quality programs, and value-based reimbursement initiatives to improve the quality, effectiveness, and sustainability of services.

**Mildred Ferriter**  
**CEO and Executive Director, Community Health Center**

Millie Ferriter serves as Executive Director and CEO of Community Health Center of St. Mary's Healthcare and Nathan Littauer Hospital (CHC). She joined this not-for-profit certified home healthcare and long term home health provider in 2010. Under her drive, focus and leadership, she has taken CHC from a small, rural agency with compliance deficiencies to a top 10th percentile regional and national performer in both quality and customer service indicators. Her knowledge of regulations (federal and state) has built the solid foundation for growth.

Assuming various leadership roles in the community including serving on the Board for other not-for-profit entities, Millie's background in finance helped CHC develop relationships with financial institutions and investment brokers to become classified as an excellent business to be awarded working capital funding. Her guidance has given CHC the enjoyment of being debt free. In addition, she has shifted the culture of this organization into a strength-based, positive environment with a mission and vision supported through excellent employee engagement programs. CHC has won top workplace awards four years in a row.

**Kerry K. Hamilton**  
**President & CEO, Hospice of Central Ohio & Chief Strategy Officer, Ohio's Hospice**

Kerry accepted the position of President & CEO at Hospice of Central Ohio (HOCO) in August 2009. Kerry's leadership has enabled the organization to grow in exciting ways. He encourages a "philosophy of care" where eligible patients can receive care regardless of their ability to pay, complexity of care or severity of need. When Hospice of Central Ohio joined with Ohio's Hospice, Inc. in 2015, Kerry expanded his responsibilities to become Chief of Strategy. Kerry serves as the board chair for the Hospice Alliance of Ohio and is on the board for LeadingAge Ohio.

**Kim M. Kranz, RN, MS, CHPCA**  
**President, Catholic Home Care & Good Shepherd Hospice, Catholic Health Services of Long Island**

29 years of Hospice and Home Health leadership with proven results of innovation, growth, clinical and financial outcomes. At Catholic Home Care & Good Shepherd Hospice, Kim is accountable for system-wide strategic and operational initiatives for all home health and hospice services within Catholic Healthcare Services.

Kim is a senior member of the post-acute executive team and responsible for strategic planning, marketing, financial viability, quality, customer service and compliance. In the past, she served as Sr. VP for Celtic Hospice & Home Health, and Allegheny Health Network Healthcare @ Home. She is a member of the Legislative Affairs Committee, National Hospice & Palliative Care Organization, and a past Board Member of the Pennsylvania Home Care Association, Pennsylvania Hospice Network. Kim is a part time faculty at Pennsylvania State University.

**Daniel K. Krieger, MBA, NHA**  
**Corporate Value Based Reimbursement, Presbyterian Senior Living**

Dan has been in the senior services field for over 17 years and currently is the Corporate Director of Value Based Reimbursement for Presbyterian Senior Living. In this role, he leads the organization's journey towards value-based service provision and integration across all lines of business, focusing on innovative partnerships to

maximize healthcare operations and to support seniors.

He has served Presbyterian Senior Living in several positions since 2007, including Executive Director of CCRC's, Operations Reimbursement Manager and currently as Corporate Director of Value Based Reimbursement. With oversight of reimbursement methodologies, vendor management, managed care contracting, value based relationships and initiatives Mr. Krieger strives to seamlessly integrate PSL's portfolio of services into a cohesive continuum that will move dynamically with and successfully engage in a myriad of value based reimbursement methodologies.

**Jeffrey Lycan, RN**  
**Executive Vice-President of Mission Advocacy for Ohio's Hospice**

Jeff is a Registered Nurse with over thirty-five years in healthcare. His career has been primarily focused in the practice areas of oncology, palliative care and end of life. The last twenty years his experience has focused on management of health care services with a focus on policy, regulatory and legislative environment for healthcare providers caring for individuals with serious life-limiting illnesses.

He spent seventeen years as President/CEO of the Ohio Hospice & Palliative Care Organization before taking on the role as Executive Vice-President of Mission Advocacy for Ohio's Hospice in March of 2015 and most recently as President of the National Hospice Cooperative.

**Lisa Remington**  
**President, Remington Health Strategy Group**  
**Publisher, The Remington Report**

Lisa Remington has been helping healthcare organizations accelerate profitability and growth for nearly three decades. Her expertise drives organizational "value" planning to increase revenues, identify new and existing growth opportunities, and leverage strategic partnerships across the continuum.

As the president of the Remington Health Strategy Group, she has led small- and large-scale transformation efforts across the healthcare spectrum. Her ability to convert strategic business intelligence into action guides organizations to establish value-and-outcome inter-mutual relationships between acute, physicians, payers and post-acute providers to improve financial, clinical and quality solutions across the continuum.

In the post-acute market, Lisa helps navigate organizations through disruption to identify new growth, revenue opportunities, and define strategic alignment for collaborative value-based partnership across the care continuum for home health, hospice, palliative care, in-home, private pay, and community-based organizations.

Lisa is also the publisher of The Remington Report, which is read by more than 120,000 home health, post-acute, and cross-continuum decision makers. Lisa has personally authored thousands of healthcare articles, forecasting reports, and industry market reports and has maintained a track record of 100% accuracy for predicting emerging healthcare trends and value-based solutions across the continuum.
